TheJunkPros is a competitively affordable junk, trash and rubbish removal company. We are licensed by the New York Business Integrity Commission which grants carting licenses only to fully insured companies with a track record of fair business practices. We strive to be recognized for the principles by which we stand: Integrity, Loyalty, Honesty, Hard work, Giving Value to our customers and treating our employees and customers well.

Our goal is to be #1 in the New York Metropolitan market area, as we increase our fleet to always be just minutes away from any pickup.

We now service, New York City's 5 boroughs, Westchester, Suffolk and Nassau County. Coming to Connecticut and New Jersey in the Fall 2009.

The most unique characteristics of our service are that:

- *More than just curbside assistance - we will pickup debris indoor*
- *No job too small - we will pickup junk and trash from any location on the premises*
- *We will sort, bag and organize material, load into our trucks and haul away*

- *No need to rent a dumpster (which may involve getting a permit, placement arrangement, illegal parking fines, broken side-walks and, of course, providing your own labor)*
- *We recycle; legally and properly dispose of trash*
- *We charge by the volume of junk we place in our truck. (1/4 -1/2 - 3/4 or full load of a 15 to 22 Cyd container)*
- *We'll provide an estimate, start work right away or you can schedule it for a more convenient time*
- *We'll remove one piece or an entire building's contents from anywhere in your premises, just tag it or point to it and it's Gone!*
- *We'll sweep up - no mess once we are gone*
- *Provide great referrals - we'll email picture of before and after (for third party)*
- *Not wasteful - we recycle and contribute as much as we can to charities or individuals in need*
- *We follow up the next day to make you sure that you are entirely satisfied*
